NONCOMPLIANCE SUMMARY

The individual under supervision has not complied with the following condition(s) of supervision:

On June 30, 2022, Mr. Colon last appeared before Your Honor at which time the Court ordered a 30-day status hearing to address his compliance with his medication regimen. Since that date, Mr. Colon has resumed his medications as directed by his prescriber. I observed a prescription pill bottle for Arpiprazole filled on July 11, 2022, and Mr. Colon reports taking the medications as directed. According to Mr. Colon's primary therapist, he remains compliant with treatment attendance and expectations; however, Mr. Colon continues to express his resistance towards medications and is "more agitated and anxious" as a result. Recently, Mr. Colon experienced a mental health episode which resulted in clinical intervention. We will continue to monitor Mr. Colon's behaviors and coordinate with his clinical team. If there is any additional non-compliance, the Court will be promptly notified.
